Dear Madam:

We have your application for Associate Membership in our Society, and we shall be glad to place same before the Council at its next monthly meeting, which will take place the second week in May, at which time we shall be happy to write you again with regard to action taken.

Appreciating your interest,

Very truly yours,

Dear Madam:

I have the honor to inform you that at the meeting of the Council, held on May 9th, you were unanimously elected as an Associate Member of The American Numismatic Society.

We should be glad to know if you collect coins, medals or decorations, and wherein your chief interest lies; and would appreciate it if you would kindly fill out the enclosed card for our records.

If there is any way in which we can be of service to you, please feel that we should be very glad to have you call on us.

I trust when you visit our Museum that you will make yourself known to us so that we may place at your disposal any part of our collection which may not be at that time on exhibition.

Very truly yours,

Secretary

Dear Miss Hamlin:-

As has been their procedure for several years past, the Medallie Art Company have offered to strike for our collection examples of medals made by them during the past year, provided we can obtain the permission of the artist to have this done. Included in this offer is the Commercial Exposition Medal designed by you. If you do not feel you can authorize this action on the part of the Medallie Art Company, will you either obtain permission from those who are responsible for this medal or send me the name of the individual to whom an application for having this done should be sent.

We shall appreciate your cooperation in this effort to have our collection of medals by American artists as nearly complete as it can be made.

Very cordially yours,

Secretary

My dear Mr. Noe,

I am very glad to have the Exposition Medal  
in your collection. I have obtained permission from  
them to have the copy made and add my own  
heartily assent.

Yours truly,

Genevieve Hamlin
